

## **CHRIS Helps Haiti**

Over \$13,000 raised to help the Haiti earthquake relief effort

After the terrifying natural disaster in Haiti on January 12, 2010, CHRIS decided to help with what we could when we gathered together in Miami in February. With the support of the CHRIS Planning Committee and sponsors, a 'silent auction' was put together to raise as many donations as possible on short notice. All the donations made through the silent auction and any other personal donations are being given to the international aid organization **Partners in Health (PIH)**.

Below are the generous donors to the CHRIS silent auction benefiting Haiti:

The work of PIH has three goals: to care for its patients, to alleviate the root causes of disease in their communities, and to share lessons learned around the world.

Based in Boston, PIH employs more than 11,000 people worldwide, including doctors, nurses and community health workers. The vast majority of PIH staff are local nationals based in the communities served.

PIH has sent 66 plane loads with more than 235 medical volunteers - orthopedic surgeons, anesthesiologists, surgical nurses and other medical professionals - and roughly 100,000 lbs of medical supplies to support the large network of PIH's local health care providers already working in Haiti.
